

## HCFA Outreach Mission

Then He said to His disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field."

Matthew 9:37-38

### Objective

Partner with local churches in rural communities or areas of need to help reach people with the gospel of Christ and engage with local healthcare professionals through educational activities.

### Future Planning

- Assist with running a service or community outreach activity through the local church.
- Education of healthcare professionals on topics of interest (continuous professional development activities).
- Bible-based course through the local church.
- Fellowship activities in residential care homes.
- Oral health education.
- Consider opportunities for medical or dental outreach activities in the future.

### Who Can Join

- Anyone who is a believer in Jesus Christ, God's one and only Son, and has a heart to serve God

### Interested in Joining
