MYTHS and Misconceptions about meeting GOD

- You cannot meet God
It is delusional or blind belief
- You have to see God to meet Him
- You have to reach out to Him and be worthy of Him to meet Him
- God meets only those who are holy

Facts from the encounters

- God finds man and woman- He knows where they are
- Human beings are able to perceive God by nature
- He knows them by their name
- He finds them in their sin
- He redeems them from their mess
- He enjoys the fellowship
- He reveals their purpose
- He is light- There is no darkness- Everything is revealed

Man's side from the encounter

- Man is not spontaneously comfortable
- Flesh confronts with God
- Refuses to accept the offer
- Palms off the responsibility
- Wants to confine God into his mould
- Wants to have God for his pleasures

Points to ponder

- You don't see God or hear him as with our eyes or ears

We perceive His presence and not necessarily see or hear him

Others around do not perceive it

- The blind and the deaf will see and hear and those who can see and hear will be blind and deaf
- Believing in a living God is just the first step but continuing to trust Him is made easy by dwelling with Him

GOD IS READY TO MEET US

- God is ready to meet us but it is we who are not ready to meet Him
- Reasons for man to keep away from God
 - Fear of holiness
 - Guilt
 - Attachment to the world and flesh
 - Pride and arrogance
 - Anger and resentment

NOT READY TO MEET
GOD TODAY?
WHAT IS KEEPING US
BACK?
