

## HEALTHCARE CHRISTIAN FELLOWSHIP AUSTRALIA

### PRAYER NOTE

JUNE 2023

Dear Prayer Warriors,

I pray and trust through the Lord you are well.

With a sense of anticipation, we are entering the new month of June.

As I reflected on the **seasons of life** in my own journey, I was so encouraged by few scriptures this week. Let me share some of those to encourage you as well.

“To everything there is a season, A time for every purpose under heaven:”

*Ecclesiastes 3:1 NKJV*

“There is a season (a time appointed) for everything and a time for every delight and event or purpose under heaven.” *Ecclesiastes 3:1 AMP*

It has been a very full-on time for many of us in health sector. Also, around the world with more conflicts, wars, illnesses, and challenges for God’s children on all fronts. The Lord sustains us, guides us, works through us and for our good. That is his character. Hence, we must move on with the task given to us through **all seasons**.

“For He who is mighty has done great things for me, And holy is His name. And His mercy is on those who fear Him From generation to generation.” Luke 1:49-50 NKJV This is the heart cry of Mary the mother of Jesus when she was told that she was going to give birth to a child. An embarrassing, unacceptable overwhelming situation for this young girl yet to be married. She leans on the scriptures and on God whom she worshipped. She allowed God to have his way in her life. Obedience and honouring God lessons learnt.

Let me encourage each one of you to pray like Mary pray according to the Word and let the Lord work through us.

Let us commit our needs and burdens to the Lord trusting him to open the way and reveal his heart in whatever season we are in. He has the perfect answer for us.

**1.HCFA Ministry:** Each person will grow in the intimate knowledge of God. Greater reliance and dependence on God. Grow deeper in the word of God. The spiritual sight will progress, sharpen, and focus on his grace to represent him always in our workplace. The Lord to raise leaders who will recognise their calling and willing to respond sacrificially. The abundant opportunities to share the Good News of Jesus with many being empowered by The Holy Spirit. The Lord to raise his children in healthcare in

every state and territory to infuse Kingdom values and to place Jesus Christ as the Lord of healthcare.

**2.The persecuted Christians:** The church ,remembering particularly the church in Sudan that is going through their toughest time in recent history, people displaced, their belongings robbed, we need to pray for peace over the country and provisions for their daily needs.

Also, the war between Russia and Ukraine to cease . Do not cease praying for these and many other nations in similar situation.

**3.The church in Australia** for unity and to rise above all insignificant matters and divisions. As one body of Christ can stand firmly against the wiles of the devil. Let Christ and the cross and the purpose of the cross be the focus. As a body “bend our knees and let the Holy Spirit bend our character and nation will bend to the God we preach.”

**4. The nation,** leaders and health and education system: One thing our nation needs desperately at all levels is law-abiding citizens and leaders, not just those who abide by human laws but those who abide by divine laws. The many policy changes, proposals in parliament and regulatory reforms will come under the authority of God. All else will be thwarted.

**5.Pray for one another:** In the small groups that meet as growth groups and HCFA streams. Each person will grow “And the boy Samuel **continued to grow in stature and in favour with the LORD and with people**” (1 Samuel 2:26) Therefore let us move beyond the elementary teachings about Christ and be taken **forward to maturity**, not laying again the foundation of repentance from acts that lead to death, and of faith in God. (Hebrews 6:1)

“Then you will know that I am the Lord, For they shall not be ashamed who wait for Me.”  
Isaiah 49:23 NKJV

Please add any prayer points on your hearts.

Blessings to you all.

Sawsan Gergis
